VII. Supplemental Plan Provisions

The following are the Supplemental Plan Provisions:

1. Unless the plan is a full pay plan, all of the debtor's projected disposable income to be received in the three-year period beginning on the date that the first payment is due under the plan will be applied to make payments under the plan.
2. If any secured proof of claim is filed for a debt that was either not listed or listed as unsecured, the claim shall be allowed as secured unless it is objected to. Said claim shall be paid under the plan at 6% interest. Likewise, if any priority proof of claim is filed for a debt that was either not listed or listed as unsecured, the claim shall be allowed as priority unless it is objected to. Said priority claim shall not be paid with any interest.
3. If a creditor is listed as secured and scheduled to receive pre-confirmation disbursements and post-confirmation payments along with the other secured creditors, but such creditor subsequently files an unsecured claim, then the creditor will not receive any pre-confirmation disbursements and upon confirmation will be paid along with the other unsecured creditors. The funds that were allocated to such creditor as a pre-confirmation disbursement will be distributed on a pro-rata basis to the other secured creditors. Similarly, the funds scheduled to be received by such creditor along with other secured creditors upon confirmation will also be distributed to the other secured creditors on a pro-rata basis.

4. The Debtor shall pay into the Plan for the payment of creditors a full payment within 30 days of filing this Plan and each subsequent payment on the same day of each month thereafter for the duration of the Plan.
5. ATTORNEYS FEES: If the Debtor's Chapter 13 is dismissed, then the Trustee shall apply any funds on hand or later received to the balance of the attorney's fees. Any funds remaining after the payment of the attorney's fees in full, shall be refunded to the Debtor. If the Debtor should decide to convert this Chapter 13 Plan to a Chapter 7 case, the Trustee shall pay all payments received by the Trustee to the Debtor's attorney for unpaid attorney's fees to convert the case and represent the Debtor in the Chapter 7 case; or upon conversion to the Chapter 7 case, the Trustee shall refund any funds on hand to the Debtor if the attorney fees have been paid in full.
6. SHELTER: Any unscheduled arrearage claim on the Debtor's Mortgage. Including any Bankruptcy fees, shall be paid under the plan at the contract rate of interest.
7. TAX CLAIMS: Notwithstanding paragraph 2, any unscheduled secured claim filed by any authority shall be paid under the plan with the interest pursuant to non Bankruptcy law.
8. INTEREST: No interest, penalty or additional charges shall be allowed on any unsecured claim subsequent to the filing of the petition.
9. EARLY COMPLETION: Under median income debtors that have been under the plan for at least 36 months shall receive a discharge at any time once the plan base is paid off.
10. USE OF CREDIT: In the event the Debtor has a necessity to incur debt, an application for permission to incur debt must be submitted to the Trustee. If the amount is not more than \$500.00, then permission from the Trustee is not necessary. However, the Debtor may not have more than \$500.00 in outstanding post-petition debt at any given time. Permission from the Trustee is also not needed to obtain a loan for educational purposes, nor is it necessary if the Debtors wish to refinance their existing mortgage if the refinancing will not result in a higher monthly mortgage payment, or if the Debtor enters into a loan modification agreement with their mortgage company.
11. POST PETITION CLAIMS: Any claims added to the plan under rule 11 U.S.C. 1305 shall be paid as if the claim arose immediately prior to the filing of this case. Specifically, any claims for taxes added to the plan under rule 11 U.S.C. 1305 shall be paid as an unsecured priority claim to be paid before any other pre-petition general unsecured claim.
12. VALUATION OF COLLATERAL: CREDITORS SHALL TAKE NOTICE THAT A VALUE DETERMINATION OF THE CREDITOR'S COLLATERAL SHALL BE MADE AT THE CONFIRMATION HEARING. NOTICE OF RES JUDICATA EFFECT OF THE CONFIRMATION ORDER. The value of collateral as provided for in the debtor(s) schedules and plan shall be the value determination made by the Court by confirmation of the plan, unless a timely objection to confirmation is filed by the creditor. The objection must specifically object to the proposed valuation and request a hearing thereon. Any objection to valuation will be heard at the confirmation hearing, and no plan will be confirmed until the valuation objection is resolved. The confirmation order shall result in res judicata of all valuation issues. Should the creditor file a proof of claim which asserts a collateral valuation that differs from the debtor(s) valuation, but fails to object to the confirmation of debtor(s) plan, such creditor's valuation shall be void as set out in this paragraph.
13. SURRENDER COLLATERAL: In the event any collateral securing a claim is subsequently surrendered, either before or after confirmation, the creditor will then have 120 days from the date of surrender to amend their claim for any unsecured deficiency amount, if any. In the event that the creditor does not amend their claim, it is assumed that the claim has been satisfied in full by the surrender, and the trustee shall not disburse any further payment to such creditor and any deficiency shall be discharged upon completion of the case.
14. RESERVATION OF CAUSES OF ACTION: Debtor(s) reserve(s) the right to bring a lawsuit on any or all causes of action against any of their creditors for loans made in violation of Texas Homestead Law, Texas Home Equity Laws, FDCPA, FCRA, & any other state or federal consumer protection statutes. Debtor(s) reserve(s) the right to file said lawsuit at any time during the pendency of the Chapter 13 Bankruptcy or at any time thereafter.
15. TAX ASSESSOR/COLLECTOR CLAIMS: Post-petition claims for property taxes, including claims for the year which the case is filed, shall be paid outside the plan unless otherwise specifically included in the plan or announced at the 341 meeting of creditors.
16. Duly filed and allowed unsecured claims shall receive a pro-rata distribution after payment of all Priority, Secured and administrative expenses. If unsecured claims will not be paid in full, neither payments nor duration of the Plan will be increased merely because the Plan projected a higher percentage payout based upon information available to the Debtor at the time the Plan was filed. The percentage payout to general unsecured creditors is just an estimate and the actual payout may differ based on claims actually filed. Any balance remaining on dischargeable unsecured claims after the payments provided for herein, shall be discharged. Any other dischargeable debt provided for by the Plan, but not paid shall be discharged upon completion of the Plan.
17. Creditors holding claims against the Debtor's real estate which are being treated pursuant to 11 U.S.C. 1322(b)(5) may send monthly billing statements to the Debtor, but may not seek payment directly from the Debtor for any pre-petition claim.

Respectfully submitted this 28 day of Feb, 2015.
